Dear Professor Zawarus:

The Landscape Architectural Accreditation Board (LAAB) at its February 22, 2024, meeting granted accreditation for a period of six (6) years to the course of study leading to the professional BLA degree at University of Nevada Las Vegas. This status is subject to review of an interim report to be submitted by December 1, 2025, together with annual reports and maintenance of good standing.

The interim report should provide an update, with documentation demonstrating compliance, when necessary, on each Recommendation Affecting Accreditation (RAA) from this final action letter in order to demonstrate compliance, or steps towards compliance, with the respective standard. In accordance with LAAB policy, programs have up to two years to resolve their RAA(s). Upon receipt of the two-year Interim Report, the LAAB will accept that the RAA(s) have been addressed or, if not, the program will be given two more years to resolve the issues. A second Interim Report will be due to the LAAB on or before four years from the receipt of this Accreditation Action Letter. If the RAA(s) are not successfully resolved or, in the case of longer-term issues, substantial and verifiable progress has not been made at that time (after four years from this Accreditation Action Letter) then the program may be moved to provisional status, it may be suspended, or in some cases the program's accreditation may be revoked.

Accreditation is awarded on a time-certain basis. As stated in the LAAB Accreditation Procedures (page 16), the grant of accreditation will begin from the originally scheduled review date regardless of any rescheduling of the program's site visit. Therefore, the six-year period of accreditation ends December 31, 2028 due to the one year delayed visit. Accordingly, the BLA program at the University of Nevada Las Vegas is next scheduled for a review during the fall of 2028.

In making its decision, LAAB considered the program's self-evaluation report, the visiting team's report, and the program's response to the report. After review of all of this information, LAAB removed the Recommendations relative to Standard 1, Standard 5, and Standard 6(B)(1) and changed the Recommendation relative to Standard 6(B)(4) to a Consideration for Improvement reasoning that the program's response demonstrated compliance in these areas. Since they are no longer Recommendations, the program is no longer required to submit an Interim Report for those removed/changed to Consideration.

Enclosed is a list of Recommendation Affecting Accreditation (to be responded to in the interim report via the process laid out above) and an Interim Report template. This list was developed by LAAB from the materials reviewed during the meeting.

On behalf of the visiting team, I would like to thank you for the hospitality extended to them by the faculty, staff, and students.

Sincerely,

A handwritten signature in blue ink that reads "Roxi J. Thoren". The signature is fluid and cursive, with the first name "Roxi" and last name "Thoren" clearly legible.
